## Summary

### SUMMARY

Full Stack Web Developer with a history in Social Services and a life long interest in learning new technology. Effective and proven problem solver with strong critical thinking skills. A leader with strong skills in decision making.

## Experience

### Lead Coordinator Medicaid Benefit Counselor

Area Agency On Aging Of Pasco-Pinellas, Inc.

Aug 2009 - Present (13 years 6 months)

Manager of a team of seven professional Medicaid Counselors. Set up work flows using first Google Suite building a calendar API, then Microsoft and Sharepoint. Built an entire work flow using scheduling software (timetap.com), Power Automate and building four custom Power Apps for users and Power BI for management to visualize outcomes. Built 5 SQL reports for statewide use in a Welsky supported platform named E-CIRTS a Client Management System.

#### Key Accomplishments:

- Managed a team of seven during the pandemic, employee retention 100%
- DISC Behavioral Assessment (Dominant-Assertive, results focused, and able to make rapid decisions)
- Catalyst Award Winner (Diversity Award from University of Missouri)
- Saved the Agency \$15k by creating Power flows and Applications in Microsoft using Sharepoint as a landing page for users
- Created a dynamic, user friendly workflow for the entire agency to use and interact with.
